1) The mcl as per sanctioned budget for 46-47, is not very satisfactory. The closing balance is just the minimum required — vide figures in the margin

4) In the above circumstances, the proposal of the Tmk Tmk municipal council to reconsider the orders already passed in the matter is submitted for consideration with the previous collections on the subject

5) The Director has been requesting at request that it may be allowed to discontinue the payment of its contribution of Rs 600/- a ~~towards~~ to maintenance of the Empress girls High school at Trichur. We pointed out on the present occasion is that no local body has been contributing out of its funds towards the maintenance of a Government institution (High school). We point out not that the mcl is financially unable to bear this expenditure but that it is based on pure sentimental grounds. The mcl seems to be rather touchy about the affair. 19) I think the request of the Municipal Council deserves to be complied with. The Dt Board of Tenkasi, which was paying a similar contribution, has now ceased to pay. The same concession should be shown to the Municipal Council. Besides, the Empress Girls' High School is a fast institution & I do not think there is any such fast institution, which gets a contribution of the kind from a local body. Considering all circumstances & the fact that the Municipal Council have given this contribution for a long number of years, it would be equitable & graceful to give them relief.

Subject — Discontinuance of the Grant to the Empress Girls' High School at Tumkur

Sir,

With reference to your memo No J Dis A6 451/44 dated 17-4-46 forwarding for information a copy of letter No E 6227 dated 9-4-46 from the Secretary to Government Educational Department, Bangalore, stating that Government see no reason to reconsider their ~~ex~~ orders already communicated in respect of the above, I have the honour to state that the subject was placed before the Municipal Council meeting held on 30-4-46 and they have resolved that it is not possible to pay the contribution and the Government be requested to reconsider and pass definite orders to discontinue the Grant, A copy of the resolution of the Municipal Council

911-11

Council is herein enclosed for favour of kind perusal In this connection I further wish to state that in addition to the grounds which have already been urged therein for the discontinuance of the contribution, there is another which may also be taken into kind consideration, that the Empress Girls' High School, Tumkur, is the only Government institution in the state which is in receipt of a contribution from the local body towards the cost of establishment

As the District Board, Tumkur, have been allowed to discontinue and as the Municipality has to assist other Educational Institutions started wholly by public enterprice for providing High School Education in Tumkur, I request that Government be moved to once again forego reconsider the prayer sympathetically and permit the Municipality to discontinue the contribution

I have the honour to be,
Sir,
